# HAPPY FATHER'S DAY!

## Our CEO's Message

Dear HMC Residents,

This month we officially welcome summer, celebrate graduations, observe Father's Day, and prepare for PCS season.

Congratulations to all of our graduates. Whether you are graduating college or kindergarten, taking the next step in your educational career, and in life, is important and should be celebrated!

We want to ease the burden and stress that often comes with moving, and one way we can do this is to ensure we are providing clear communication, answering questions, and walking you through the process. You are encouraged to reach out to your Resident Service Specialist once you have received orders so they can guide you through every step.

On behalf of Hunt Military Communities, I wish all of our fathers and father figures, a Happy Father's Day. Whether you are serving far away or close to home – or supporting a spouse who is active duty – your commitment to your country and families is admirable. We look forward to honoring you this month.

Semper Fidelis,  
Brian Stann

Hunt Military Communities  
President & Chief Executive Officer

## Friendly Reminders

### Vehicle Reminder

Boats, trailers, recreational vehicles, and oversized vehicles are not permitted in the neighborhoods at any time unless NMO has granted written permission.

### Spring is Here

Residents must maintain any flowerbeds in the front and/or backyard. Although we conduct shrub trimming twice per year, it is the responsibility of the resident to make sure shrubs are trimmed to maintain their shape and not block windows, doors, and sidewalks.

### Pet Reminder

All dogs must be on a leash upon leaving the house and while on Community grounds. Both dogs and cats must be appropriately and electively restrained and under the control of an individual while on the Premises and in the Neighborhood.

## Satisfacts Surveys

Do not forget to submit your Satisfacts Survey. You will receive survey notifications via email from [surveys@satisfacts.com](mailto:surveys@satisfacts.com). Our continued goal is to provide our residents with the best in service and in value.

# June Employee Spotlight

## Shawna Myers

Shawna is a Maintenance Technician here at Keesler Family Housing. Shawna says, "I absolutely love being on the river relaxing with friend and kayaking. It is very peaceful and a great stress reliever. Also, I adore animals of all types, especially dogs. I like to give back to the humane society when I have free time. If I could, I would take all of them home."

When asked what they love about their job Shawna said, "I've always loved working with my hands and having the ability to figure things out and repair things. Hunt is one of the best companies I have ever worked for. I don't look at Hunt as just a job, I look at it as a career and I love working with all of my coworkers and love the residents."
